Rockfish Day Camp Behavior Agreement

Please Review these behavior guidelines with your child. Both the parent and child must sign this agreement. Please read and understand these guidelines before you sign this agreement.

Our goal is that each child become aware and appreciate God's great outdoors, realize that each person is worthy of God's love and the love of others.

We are blessed to have a beautiful outdoor setting to share with your child. We have walls of trees, a floor of soil, and ceiling of clouds. The lighting is from the sun, moon, and stars. At Rockfish four walls do not confine your child. To insure that each child has a positive experience being outside those four walls at Rockfish Day Camp this summer, we ask that each child and parent understands the following behavioral expectations.

- Participant in all activities or try to attempt.
- Follow requests made by staff.
- Cooperate with staff & other campers.
- Fighting and calling names will not be tolerated.
- Stay with assigned counselor & group at all times.
- Treat everyone with respect.
- Treat all plants and animals with respect.
- Stay away from the water unless in a supervised activity.

We believe it is important to work with parents in helping their children learn to manage their own behavior.

Our approach to behavior management will be:

- 1) Instruct the child that negative behavior is not appropriate.
- 2) Set the child in time out and discuss further.
- 3) Discuss problem with parent and notify both parent and child that further problems will result in dismissal.

If at any time the child presents a danger to him/her self or others the child will be dismissed immediately.
